Life!

# 2011 PROGRAMME

## FOR LEARNING AND FOR TEACHERS!

### TDi Wednesday

TDi is our free teacher drop-in (and our free cup of tea!) 4:00 to 5:30, any Wednesday. Come in and see what's going on and share some ideas, get some advice....

### SAS - easy to join up

Science Alive Supporters get special discounts on Science Alive school group visits and our outreach and training programmes - and it costs nothing to join!

### Education Exhibitionists

Our Gallery exhibitions this term include:

**Re Cycle The Mask & The Body Space to Explore Global Report**

*Phone or look on our website for more details or to book a class visit.*

### The Twilight Zone

Our programme of slightly different workshops and CPD activities are guaranteed to brighten up your classroom and your curriculum. This term's sessions include:

**Courses and workshops from as little as £10!**

### Special projects for 2011 - call for details NOW!!!

- WAKE UP CALL** FREE workshops for KS3 - informed choices with a twist...  
**PLANET PALS** A stunning 4 month environmental awareness project for KS2-3  
**WORK EXPERIENCE** An amazing chance for KS4 pupils to work and learn with us

**Science Alive at Harlow Leisurezone, CM20 3DT**

**01279 413412**

**info@science-alive.co.uk**
