New Town

Full day programme

Main themes:

- **Post-war Britain** and the actions in place to create **New Towns** such as Harlow
- Learn about important figures such as **Frederick Gibberd** and **Sylvia Crowe** who turned Harlow from a market village into a vast New Town
- The **people who moved into Harlow** and what it was like for them to experience such a different way of life

A provisional timetable is shown below.

New Town Programme Introductions to the Team / Safety briefing / Overview of day				
Time	Group A	Group B	Group C	Group D

- You will have **Exclusive Use** of our Gallery.
- Our programmes are mapped to the KS1 & KS2 Curriculum.
- We can arrange Coach Hire through Trekkers on your behalf.
- And of course we offer **Free Tea & Coffee** for all staff & a place to eat.

By visiting Science Alive or Harlow Museum, you are supporting a local Charity set up to help educate the young people of Harlow & surrounding areas in a fun, hands on and inspiring way. Thank you for your support.

Science Alive is a Registered Charity No. 1107549
info@science-alive.co.uk

New Town

Create a New Town

Be like Frederick Gibberd and Sylvia Crowe and look to **design your own New Town** like Harlow.

Understand the need to balance housing, shops, factories, fields, roads and many more objects so that people have a great place to live.

New Town Film

In the 1965, Harlow produced a **short film called 'The Faces of Harlow'** (approx running time 30mins). It was designed to showcase the wide range of people who came to live here and how they experience this New Town.

By watching, students get to see **how much Harlow has changed since its inception** and answer some questions relating to the film.

Craft Session

Post-war Britain is here and it's time to celebrate!

Have a **street party** with pennants and bunting in a range of colours; or be like Henry Moore and **design your own sculpture** to fit with Harlow New Town.

New Town Box

Whether be **going through photos** from the early years of Harlow New Town or **handling objects from the 1950s**, we have an educational handling box to suit your needs.
